MEMORANDUM FOR: Deputy Director (Intelligence)

SUBJECT: Directories of International Communist
Front Organizations

1. Attached are copies of four directories of a series on international Communist front organizations, entitled as follows:

- a. Directory of the Afro-Asian Solidarity Organization (AAPSO).
- b. Directory of the International Organization of Journalists (IOJ).
- c. Directory of the International Radio and Television Organization (OIRT).
- d. Directory of the International Association of Democratic Lawyers (IADL).

2. These directories provide basic information, including the identity of persons, on international Communist front organizations and their national affiliates. Since the international Communist front organizations are not, in spite of Communist control, composed exclusively of Communist Party members, the occurrence of a name in one of the directories is not necessarily evidence of CP affiliation. Experience has shown, however, that the proportion of Communists is highest among those persons occupying positions as functionaries in the international offices of these fronts. Information on the CP affiliation of any individual listed will be provided on request.

3. Additional directories are in preparation on the World Federation of Trade Unions, the International Federation of Resistance Fighters, the World Council of Peace, the International Union of Students, the World Federation of Democratic Youth, the Women's

friendship societies. We shall send these to you upon publication. When we have completed these directories, we shall issue one index for all of them.
